Reform and Innovation

Early discharges from supervision

Metric Definition

Increase by four percent the number of early discharges from probation supervision.

Goal Met	Current	Previous	Target	Trend
✓	673	643	550	↑

Reporting Cycle: Annual (January 1, 2017 - December 31, 2017)

Additional Details: Increase by 4 percent quarterly, early discharges for offenders who have paid all court ordered fees and have been compliant while on supervision, allows for resources to be focused on higher risk and less compliant offenders. This allows the department to use resources to better protect the public.

Restitution obligations paid

Metric Definition

Increase the amount of restitution obligations paid compared to the same time period in the previous fiscal year.

Goal Met	Current	Previous	Target	Trend
✗	✗	\$1,963,691	Increase from previous FY quarter	✗

Reporting Cycle: Quarterly (October 1, 2017 - December 31, 2017)

Additional Details: **There is currently an issue with the report that generates this amount. This number will be provided when a corrected amount is generated. **

The amount of restitution collected in a year is impacted by many factors. Examples include the number of offenders ordered to pay restitution, the amount of restitution ordered and the number of years those offenders will be on DCC supervision. The Division works to increase the amount collected and sent to victims with those factors in mind.

Efficient and Effective Services
